

USC Alumni Club of Atlanta SUMMER INTERNSHIP

It is that time of year where students all across the U.S. begin to apply for summer internship opportunities. The USC Alumni Club of Atlanta has consolidated a list of top Atlanta based companies for those students who may be returning home for the summer looking to intern in Atlanta or those who want to experience a summer opportunity at one of the exciting corporations on our list.

Each company has their own internship application process, so please view the corporate websites of the companies you are interested in. It is important that you apply to more than one internship opportunity, rather than putting your eggs in one basket. We hope this information helps to jump start your summer internship application. If you land an internship at any of the companies below, please email us and let us know where you are interning for the summer.

Coca Cola

Location: Atlanta (Mid Town Area)

Description:

Georgia Pacific

Location: Atlanta (Downtown)

Description:

Internship Program

Our interns benefit from a supervised, practical, paid experience in a premier program that can result in academic credit. Internships usually occur during the summer for a set number of weeks and include speakers, projects and activities. Participants also learn from top leaders of the company.

Co-Op Program

Our co-op program offers an extended, paid work experience for students with the opportunity for academic credit. Co-ops gain in-depth knowledge about our company and learn how value can be created in a specific business area through [MBM@ principles](#), which include Principled Entrepreneurship.

Delta Airlines

Location: Atlanta (College Park)

Description:

Intern Opportunities

While we benefit from assistance with projects and an expanded candidate pool for future full-time hiring, participating students receive real business experience, professional growth in their field of study, and a valuable look at future careers. Internships often enhance the skills and theory that the student learns in the classroom and may qualify as course credit. The intern program is a one-semester/quarter work assignment. In addition, students who participate in the program also increase their marketability for full-time positions upon graduation.
